**PUBLIC NOTICE Nº 182/2016**

*Simplified selection process for hiring a Senior Visiting Professor in Mathematics / subarea Mathematics.*

The Rector of *Fundação Universidade Federal do ABC* - UFABC, exercising the power conferred upon him by law, discloses to the public, pursuant to the indicated Legal Basis, the Public Notice dedicated to select applicants by means of a Simplified Selection Process for hiring a Senior Visiting Professor in Mathematics, for a fixed term, to meet a temporary need, according to the following conditions and particulars:

Work Regime: full time (40 hours per week) and exclusive dedication / Compensation: R\$ 17.057,74/ Period of Application: August 30, 2016 to October 31, 2016 / Legal Basis: Laws No. 8.745/1993, No. 12.772/2012 and No. 12.863/2013, Decree nº 8.259/2014, and Resolution No. 176 of the Council for Teaching, Research and Extension (ConsEPE) or any other that may substitute it / Vacancy: 01 (one) / Area: Mathematics / Subarea: Mathematics

**1. AREA OF KNOWLEDGE AND COURSES:**

**1.1.** Area of knowledge: Mathematics

**1.2.** Courses: courses offered by the Bachelor in Science and Technology and which have mathematics as their area of concentration, courses offered by the Bachelor in Mathematics, courses offered by the graduate program in Mathematics.

**1.3.** This public notice aims at selecting 1 (one) candidate, for hiring purposes, in a temporary capacity, who is a senior professor/researcher to develop research projects of excellence in mathematics in the graduate program in Mathematics at Federal University of ABC.

**1.4.** In order to be considered a senior visiting professor/researcher the candidate must be a person of renown in their area of expertise, whose resume is equivalent to that of a full professor. Analysis of the research project and the candidate's resume will be performed by ad hoc consultants.

**1.5.** Hiring will be effected after the candidate's notoriety has been established, based on their curriculum vitae, and the project's excellence has been determined.

**2. APPLICATIONS**

**2.1.** The provision of the following documents is required to complete applications:

**a)** Filled out request, available at the following link:

[http://www.ufabc.edu.br/index.php?option=com\\_content&view=article&id=index.php?option=com\\_content&view=article&id=4319](http://www.ufabc.edu.br/index.php?option=com_content&view=article&id=index.php?option=com_content&view=article&id=4319)

**b)** copy of a document that proves the title of doctor or equivalent,

**c)** copy of a personal identification document;

**d)** curriculum vitae and/or lattes with respective proof according to subitem 6.2.

**MINISTÉRIO DA EDUCAÇÃO**  
**Fundação Universidade Federal do ABC**

**Reitoria**

Av. dos Estados, 5001 · Santa Terezinha · Santo André - SP  
CEP 09210-580 · concursos@ufabc.edu.br

e) work plan and/or research project, with a maximum length of 12 (twelve) pages, correlated, referenced and contextualized according to the research areas of the graduate program in Mathematics at UFABC, as well as the university's pedagogical plan, both available at the following links:

<http://gradmat.ufabc.edu.br/bacharelado-em-matematica/atas>

[http://www.ufabc.edu.br/index.php?option=com\\_content&view=article&id=21&Itemid=74](http://www.ufabc.edu.br/index.php?option=com_content&view=article&id=21&Itemid=74)

**2.2.** To apply, the candidate must send the documents specified in subitem 2.1 exclusively via electronic mail, the deadline being the last day of applications. Each document must be in PDF format, and they all must be compressed to a single ZIP file, which must not exceed 20MB in size, and sent to the email address [concursos@ufabc.edu.br](mailto:concursos@ufabc.edu.br) with the subject: "Application Public Notice 182/2016 – (candidate's full name)".

**3. OF THE PRELIMINARY CLASSIFICATION:**

**3.1.** The information regarding the preliminary classification of candidates will be published in the Brazilian Federal Register "Diário Oficial da União" within the deadline stipulated in item 8, which will also be made available at the UFABC website:

[http://www.ufabc.edu.br/index.php?option=com\\_content&view=article&id=4320](http://www.ufabc.edu.br/index.php?option=com_content&view=article&id=4320)

**4. OF THE RECOURSE**

**4.1.** The candidate that wishes to place a recourse to the Preliminary Classification must send his/her claims to the electronic address [concursos@ufabc.edu.br](mailto:concursos@ufabc.edu.br), according to the deadline in item 8.

**4.2.** Any recourse sent beyond the deadline stipulated in item 8 will not be accepted.

**5. OF THE RESULT**

**5.1.** The Approval notice of the final result of the symplified selection process will be published in the Brazilian Federal Register "Diário Oficial da União" and the link to this publication will be available at the website specified in subitem 3.1, according to the deadline in item 8.

**6. ABOUT THE SIMPLIFIED SELECTION PROCESS:**

**6.1.** The selection process will consist of:

a) curriculum analysis in qualifying and eliminative character; and

b) analysis of the work plan or research project to be performed, in a qualifying character.

**6.2.** In the phase described in item 'a', the applicant's curriculum will be analyzed and the following items will be taken into account and graded, of which only those pertaining to groups I and III must be supported by evidence, according to the following criteria:

**Group I – Technical-professional activities (1 point maximum)**

• Coordination of projects or courses
---------------------------------------

• Administrative and/or lobbying activities
---

**Group II – Scientific, artistic, technical or cultural production (6 points maximum)**

• Articles in international indexed magazines
---

• Complete works presented in international events
--

**Fundação Universidade Federal do ABC**  
**Reitoria**

Av. dos Estados, 5001 · Santa Terezinha · Santo André - SP  
CEP 09210-580 · concursos@ufabc.edu.br

• Books
• Chapters in Books
<b>Group III – Teaching activity (3 points maximum)</b>
• Teaching experience in higher education (undergraduate and graduate programs)
• Counselling (monographs, dissertations and theses)

**6.2.1.** The minimum requirements will not receive points in the simplified selection process, and each title will be considered only once.

**6.3.** The analysis of work plan and/or research project will take the following into account:

- a) relevance and insertion of the project in the graduate program in Mathematics; and
- b) quality and feasibility of the work plan as well as its compatibility with the research areas of the graduate program in Mathematics at UFABC.

**7. GENERAL CONDITIONS:**

**7.1.** The hiring of visiting professors and foreign visiting professors aim at:

- a) supporting graduate programs;
- b) contributing to the improvement of education, research and outreach programs, at the undergraduate and graduate levels;
- c) contributing to the implementation of teacher training programs; or
- d) enabling scientific and technological exchange.

**7.2.** In the event there are no applicants enrolled in the specified application period, the dates for the application and selection process will be automatically extended for an equal period of time.

**7.3.** Exams shall occur within up to 6 (six) months of the publication of this Notice.

**7.4.** The professional hired as Senior Visiting Professor in Mathematics shall:

- a) meet the academic title and competency requirements; or
- b) be acknowledged in their professional area, certified by decision of UFABC's Higher Council.

**7.4.1.** The minimum academic and competency requirements for a senior visiting professor or foreign senior visiting professor to be hired are:

- a) having a PhD title for at least 2 (two) years;
- b) being a teacher or researcher of recognized competence in their area, with relevant experience equivalent to that of a full professor;
- c) having relevant scientific production, preferably in the last 5 (five) years; and
- d) having counselled at least 1 (one) doctorate student or 2 (two) master's students in Mathematics or related areas.

**7.5.** The graduate diplomas (PhD) must be properly registered (if national); foreign diplomas not yet recognized and registered by a Brazilian university - pursuant to article 48 of Law No. 9.394/96 - must be submitted to an evaluation of title equivalence by a special committee at UFABC, established for this purpose, which will issue a valid document/appraisal certifying the situation.

**7.6.** The selection process is valid for 1 (one) year from the publication date of the Public Notice of Approval of Final Result, and can be extended for an equal period, at most, if it suits the administration.

**Fundação Universidade Federal do ABC**

**Reitoria**

Av. dos Estados, 5001 · Santa Terezinha · Santo André - SP  
CEP 09210-580 · concursos@ufabc.edu.br

**7.7.** The visiting professor's contract is set for a fixed period, with a work regime of 40 (forty) hours per week with exclusive dedication, observing the following maximum terms: 12 (twelve) months, in the case of a Brazilian visiting professor, which can be extended for another 12 (twelve) months; 24 (twenty-four) months in the case of foreign visiting professor, which can be extended, provided that the total term does not exceed 48 (forty-eight) months.

**7.8.** In view of the interdisciplinary and multi-campus nature of UFABC, the competent bodies are incumbent upon assigning the courses to be taught.

**7.9.** Pursuant to article 6 of Law No. 8.745/1993, it is forbidden to hire civil servants of the direct or indirect management of the Federal, State, Federal District and Municipalities Governments, as well as employees or civil servants of their branches or controlled organs.

**7.9.1.** The applicant who is a professor of higher, elementary, technical and technological education at Federal Teaching Institutes cannot be hired according to Law No. 8.745/93.

**7.9.2.** Civil servants who do not occupy effective positions that are part of the teaching careers covered by Law No. 7.596, of April 10, 1987, are excluded from such prohibition, and the hiring is subject to formal proof of schedule compatibility.

**7.10.** Applicants who have already exercised the role of substitute or visiting professor pursuant to Law No. 8.745/93, cannot be hired again based on such Law before a time span of 24 (twenty-four) months after the end of the previous contract.

**7.11.** Foreign applicants shall provide proof of temporary or permanent visa according to the Law.

**7.12.** The visiting professor shall not receive assignments, roles or positions not provided for in the contract, as well as not be nominated or designated even in temporary form or in substitution, for a commissioned position in accordance with Article 9, I and II, of Law No. 8.745/93.

**7.13.** The candidate approved in the selection process will have 45 (forty-five) days to sign the employment contract, counting from the day the hiring authorization is published in the *Diário Oficial da União*.

**7.14.** ConsEPE Resolution No. 176, or any other that may substitute it, is part of this Notice and the candidate declares, by applying to the selection process, to know about it.
